The Employee Eligibility Statement, Employee Application, Employee Enrollment Form or other similar form, which captures information regarding medical conditions and treatment of eligible persons, is made part of this application for insurance and shall be relied upon in determining rates and eligibility for coverage.

The Company has the right to revise the rates (retroactively or prospectively) for the Stop Loss Insurance Contract, or rescind or terminate the Stop Loss Insurance Contract if a person completes the Employee Eligibility Statement, Employee Application, Employee Enrollment Form or other similar form (collectively "Form") with false, incomplete or misleading information or fails to notify the Company of any changes to the answers to the medical information question in any Form resulting in a material misrepresentation affecting the assessment of the risk or the terms or conditions for coverage.

General Conditions

It is understood and agreed as conditions precedent to the approval of this Application that:

- The Employer is financially sound, with sufficient capital and cash flow to accept the risks inherent in a "self-funded" health care plan;
- The Third Party Administrator retained by the Employer will be considered the Employer's Agent and not the Company's Agent;
- All documentation including the Employee Eligibility Statement requested by the Company must be submitted prior to any approval of this Application and must be received by the Company within thirty (30) days of the Effective Date;
- The Company will evaluate the Employer's risk, and may require adjustments of rates, factors and or special limitations to accommodate for abnormal risks;
- Premiums are not considered paid until the premium check is received by the Company and at the rates set forth in the Schedule of Stop Loss.

In making this application, the Employer represents that such information accurately reflects the true facts and that the undersigned has authority to bind the Employer to the proposed Contract. Accordingly, this request will be a part of the Contract if accepted by the Company.

Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits application or files a claim containing a false or deceptive statement may be guilty of insurance fraud.
